

## **Arts Education Grants**

2025-2026

### **Info Sessions**

We are offering two information sessions for this grant offering – one in-person and one virtual. You are welcome to attend both, though our ask is that you attend one of these offerings. If you're unavailable, please send an additional member of your Education or Executive team to represent your organization.

1. **In-person Info Session – Wednesday, September 10<sup>th</sup> from 3:00-4:30pm in the Grigg Board Room at Foundation for the Carolinas (220 N Tryon)**

**\*\*We recommend this be attended by the central Education lead within your organization. We are only able to accommodate a maximum of 2 representatives from your organization, as our room capacity is 38 and we expect that may fill quickly.**

2. **Virtual Info Session – Friday, September 12<sup>th</sup> from 10:00-11:30am via Zoom**

We have large capacity for this info session as it is virtual, so we encourage you to share this calendar invite widely with others on your Education, Development, or Executive teams.

### **Where can I learn more or ask questions?**

We are happy to provide guidance and suggested revisions to the proposal to make the request as competitive as possible. Please direct any questions about the Arts Education Grant to [grants@artsandscience.org](mailto:grants@artsandscience.org). Additional contact information for our Program Officers is listed on the next page.

### **Draft Review**

If you would like ASC staff to review a draft of your application and provide feedback, please email a draft to [grants@artsandscience.org](mailto:grants@artsandscience.org) by Monday, September 29 at 5:00pm.

**Program Officer Contact Info**

ASC is currently hiring an Arts & Education Partnership Program Officer. While we recruit for this role, questions can be directed to:

Micah Deer, VP of Community & Artist Support

[Micah.Deer@artsandscience.org](mailto:Micah.Deer@artsandscience.org)

Mary Beth Ausman, School Funding Opportunities Program Officer

[Marybeth.Ausman@artsandscience.org](mailto:Marybeth.Ausman@artsandscience.org)

Thank you for your interest in our Arts Education Grant!
